

Engaging Students in Church Planting

POWERPLANT PHILLY

JUNE 21-26, 2010

*dates may change by one or two days

What is PowerPlant?

PowerPlant is a ministry of the North American Mission Board designed to engage students in church planting and evangelism. PowerPlant participants will partner with a local church planter and learn church planting principles and evangelism skills each morning, then have a chance to engage personally through assigned ministry team activities in the afternoon and evening. There will be over 200 participants at this project from all over the country.

Where is PowerPlant?

- There are many locations hosting PowerPlant. We will go to Philadelphia, Pennsylvania (4 hrs from Richmond)

Who can attend PowerPlant?

- Grace Youth who will have completed 8th grade through those who will have just graduated.

Cost/Payment Schedule?

- This is not finalized yet. The initial cost stated on the website is \$269+4 meals.
- \$60 deposit due by January 10
(we understand that Winter Retreat money is due by January 17th, so please let us know if you need more time or have extenuating circumstances. Please understand that our registration deposit to PowerPlant is nonrefundable after January 15)

Where will we sleep/eat?

- We will be sleeping in a large church in Philadelphia and most meals will be provided by PowerPlant.

What will we be doing?

- This depends on the church planter with whom we are partnering. We will meet the needs which they have which could be anything including block parties, BackYard Bible Clubs, sports camps, etc. What we do know is that the focus will be people.

Why did we decide on PowerPlant Philly?

- Provides an opportunity for a larger number of students and is relatively close.
- It is hands on ministry in the form of church planting
- It really fits well with what we see happening in Highland Park as we partner with Lloyd Price and as we church plant in Peru
- The schedule is very conducive to what we value: long lasting and hands on ministry, purposeful group time, ministry training, and fun!
- Trust in PowerPlant's thinking and track record

Why are we encouraging you to consider and pray about this opportunity?

- Students will learn about church planting and see it from the ground up
- This will continue to give students an eternal perspective on life
- Students will grow in their relationship with Jesus as they serve Him
- Students will develop stronger relationships with other Grace Youth and adults

So, what's the timeline from here?

- Start to pray about this opportunity
- Start to think about money saving options
- Sign ups will start December 9. You sign up by paying your deposit.
- A non-refundable \$60 deposit is due by January 10th.
